Re: Order for Compliance under the  
Clean Water Act 33 U.S.C. § 309(a)  
Docket # CWA-08-2003-52

Dear Mr. Wagner:

We have received from you a copy of a letter from Judith Wong, Director, Water Program, EPA Region 8, dated January 7, 2003, verifying that the Town of Windsor has submitted information meeting "the application requirements for coverage under the general permit for facilities/operations that generate, treat, and/or use/dispose of sewage sludge by means of land application, landfill, and surface disposal."

The EPA Order for Compliance issued to the Town of Windsor on April 25, 2003, is, therefore, in error and is withdrawn. We apologize for the inconvenience the Order has caused and appreciate your cooperation in resolving the matter.

If you have any questions regarding this letter, the Order, or any other matters pertinent to the Town of Windsor's compliance with the CWA, the most knowledgeable people on my staff regarding these matters are Elyana Sutin, Enforcement Attorney, at (303) 312-6899, and Julie Orr, Technical Enforcement, at (303) 312-6225.

Sincerely,
